

PRE-FILTER

The pre-filter provides you an additional tool to keep your pond clean. The pre-filter ensures that larger pollutants in the pond water, such as leaves, small branches and larger algae particles are collected before they are caught up in the pump or in the filter.

BENEFITS

- Prevention that larger particles will clog up or overload the filter.
- Protects the lifespan of the pond pump.
- Transparent housing; easy to see when it requires cleaning.

Item No.	Type	Max. flow	Max. pressure	Size
5053029	Pre-filter	25m ³ /h	2 bar	Ø110 mm x 720 mm

WELCOME TO XCLEAR

A garden pond is a symbol of life. To ensure the flourishing of the flora and fauna within your pond, it is crucial to maintain the water in a perfect state of balance. This is where your filter technology becomes indispensable, requiring daily attention.

For those seeking optimal health and clarity for their pond water, look no further than Xclear UV-C disinfection systems and pond equipment. These reliable solutions provide the best means of keeping your pond water clean and transparent. Whether you have a professionally designed koi pond or a do-it-yourself project, Xclear offers a range of products suitable for any situation.

Xclear is a registered trademark of VGE B.V., a company located in the southern region of the Netherlands. With more than four decades of experience since its establishment in 1982, VGE has developed high-quality and innovative products for ponds, pools, and industrial applications. At the VGE headquarters, Xclear products are meticulously designed, manufactured, and assembled by a team of dedicated professionals. These experts maintain close communication with customers from over 70 countries worldwide.

VGE B.V. places great emphasis on innovation, maintaining its own product development department dedicated to introducing new products and enhancing existing ones. Innovative thinking is one of our core strengths, as we continually tailor our offerings to align with current pond trends and meet the diverse needs of our customers.

The successful Xclear product range is also available for private labeling. To learn more about this opportunity, please get in touch with our sales department for detailed information.
